

Dog transportation

We always need help transporting dogs to and from the kennels. This may include collecting new dogs coming in, transferring dogs between areas, taking dogs to and from events and taking dogs to the local vets for veterinary treatment.

A clean driving license is required and mileage expenses are paid.

If you are interested in helping with transporting dogs then please contact the person shown under your local area on the volunteer page.

Dog walkers

Volunteering as a dog walker for GRWE is a meaningful way to make a difference to the lives of our kennelled dogs.

Volunteer dog walkers provide regular exercise, grooming, affection and socialisation that kennelled dogs need to stay healthy, happy and adoptable so that they can one day go home to a family that will care for them.

If you are a dog lover and interested in brightening the day of a lonely hound that needs a little attention and exercise - walking dogs may be for you!

If you are interested in helping with dog walking then please contact the person shown under your local area on the volunteer page.
