

## **Home visitors**

GRWE seeks to place all its dogs in loving permanent homes as pets. Home visitors play an important role by visiting the home of prospective new owner(s) to ensure that the home is suitable and that the welfare needs of the dog will be met.

The home visit is also an opportunity for the prospective owner to ask any questions and discuss exactly what they are looking for in a new dog. GRWE's rehoming success is to a large extent down to matching the right dog to the right home and the home visit is an important part of this process.

Full training will be given, but knowledge of greyhounds/sighthounds would be preferred. Mileage expenses, within reason, are paid.

**If you are interested in becoming a GRWE home visitor then please contact the person shown under your local area on the volunteer page.**
